Isingeniso

Izincwadi ezintathu kwithestamente lethu elidala yimibhalo yokugcina yabaprofethi yokufundisa ngesikhathi sethestamente elidala. Lezi zincwadi ezintathu ekaHagayi, ekaZakariya, kanye nekaMalaki ezivame ukubizwa “eziqhamuka ngemuva” zabaprofethi ngoba ukushumayela kwabo bobathathu kuza (ngemuva) kokubuya kwamaJuda ekudiingisweni eBhabhiloni. Sithola indawo ngabo laba baprofethi abathathu bokugcina ezincwadini zomlando ka-Ezra noNehemiya (U-Ezra 5:1; 6:14), ababili kubaholi besikhathi sangemuva. Abanye ababili ababengabaholi abaqavile besikhathi somlando ka-Israyeli kwakungu;

- UZerubabele, owayengumzukulu kaJehoyakimi (I Izikronike 3:17-19), wabiza uSheshebasari ku-Ezra 1:8; 5:14 & 16. UZerubabele wayebekwe njengomengameli waseJudiya ekhethwe ngu-Cirusi ngokubuya kwabo eBhabhiloni (U-Ezra 5:14).
 - UJoshuwa, umpristi omkhulu (UZakariya 3:1), indodana kaJehozadaki, umpristi omkhulu ngesikhathi uJuda uthathiwe wayiswa eBhabhiloni.

Umbuso waseBhabhiloni owawungaphansi

kukaNebukadinesari wabhubhisa iJerusalema wathatha amaJuda ezizwe ezimbili zakwaJuda zaseningizimu zathunjwa. Ngesikhathi umbuso wama mede-phesiya unqoba iBhabhiloni eminyakeni engama-70 elandelayo futhi uCirusi weza esihlalweni sobukhos. AmaJuda ayevumelekile ukubuyela kwaJuda nogqozi olwalusuka kuCirusi ukwakha ithempeli nomuzi waseJerusalema. Cishe bangama-50 000 abantu ababuyelayo. UHagayi waba yizwi lokuqala elazwakala elalivela kuNkulunkulu ekubuyeni kwabo, walandelwa ngelikaZakariya ezinyengeni ezimbili ezalandela. Umsebenzi weNkosi kamalaki weza muvana wona. Umthwalo wakhe kwakungukukhuza ubuhedeni noma ukuhlubuka okwakukhula eminyakeni eyalandela esizweni.

Ukugcizelela kwemiyalezo kaHagayi noZakariya kwakungukunyakazisa noma ukugqugquzela abantu bamaJuda ukuba babeke izinhliziyo zabo emsebenzini weNkosi, ikakhulukazi ukuqedela ukwakha ithempeli, umsebenzi wokwakha owawusuhlezi ungaqediwe ishumi leminyaka nohhafu ngesikhathi laba baprofethi ababili bethunyelwa yiNkosi. Olwabo kwakungubizo ebantwini babo olubabizela kude kunokuzicabangela bona nokuthanda izinto eziphathekayo eziphambare nezinto zeNkosi. Umyalezo kaHagayi wawungezinto

eziza kuqala ezifanelekile, ukubeka phambili izinto eziza phambili uma umuntu ezoba nesibusiso sikaNkulunkulu.

U-Ezra uyalalandisa encwadini yakhe ukuthi bavuka kanjani abamelana nemizamo yokwakha ithempeli ngaphansi kuka-Zerubabele (U-Ezra 4);

- Ngokufika kwamaJuda kwaJuda ngokushesha basusa imfucumfucu babeka isisekelo sethempeli.
- Abantu bendawo (AmaSamariya) banikela ukusiza njengoba kwakuqalwa ithempeli. Laba bantu bendawo babengabohlanga oluxubile lwamaJuda nama-Asiriya ababehlale kuleyondawo amashumi eminyaka (2 Amakhosi 17:24). Ngakho-ke inkolo yabo yayiyingxube yokumsulwa nobuhedeni.
- Ngakho-ke ukuzinikela kwabo kwenqatshwa ngokuqinile ngabaholi bamaJuda, besaba ukuyekethisa!
- Ngalokhu abasizayo bangaphenduka isithiyo olakeni lwabo lokucasuka kumaJuda kuphela. Beqasha abameli baphendule izinto zibe zingxabano zomthetho, benze umsebenzi wethempeli ukuba ume ekuqhubeveni.
- Ngesikhathi uCirusi engasekho esithombeni

edolobheni lamaPesiya incwadi esemthethweni yokukhononda yangena ivela kumaSamariya, futhi yaphakanyiswa ngabaphathi abasha. Ngakho-ke ukuvimbela okusemthethweni kwafakwa ngokuqhubeka kokwakhiwa ithempeli noma umuzi waseJerusalema.

- Ngokufika kukaHagayi noZakariya, beletha ukunqanda kukaNkulunkulu ngokukhathala kwabo, umsebenzi wethempeli waqala futhi ngaphezu kwemithetho ebekiwe.
- AmaSamariya endawo athumela enye incwadi yokukhononda kwabasemandleni, lowo kungu (Ezra 5), kodwa abaphethe, manje ngaphansi kuka Dariyusi, bathola futhi baqinisekisa umyalo omdala kaCirusi wokwakha (Ezra 6).
- Babenganikezwanga nje imvume kuphela yokuqhubeka nomsebenzi wethempeli, kodwa laba ababemuncu bephikisa bayalwa ukuba basize ngokwezezimali emalini yabo yentela (Ezra 6:8-9). Futhi kuwo wonke umuntu owayezoguqla umyalo wenkosi, ukuphakama kwethempeli kwakuzokwakhiwa ngezingodo zomuzi wakhe, wakhipha ngokulengisa kulokho kuphakama komuzi, nendlu yakhe bese yenziwa ngomswani wenqwaba (Ezra 6:11)!

- Eminyakeni emine eyalandela umsebenzi wokwakha ithempeli waphela (Ezra 6:14).

Kucacile ukuthi amaJuda abuya ayezimisele kakhudlwana ukumisa kulomsebenzi wokwakha, elangazelele kakhulu ukubhekisa ukunaka kwawo emihlabeni yawo nokukhathazeka ngemizi yawo. Kuncane kakhulu ukumelana kwawo nalabo ababavukela. Akukho ukuphikelela okutholakala kubo noma ukulwa eZerubabele njengoba sibona kokuzayo kuNehemiya, noma ukubuya kwamaJuda kwazuza lonke ilungelo kuhulumeni wamaPesiya ukwakha ithempeli labo nenhlokodolobha yawo. Bashesha nokho ukuba nomqondo wokuzicabangela bona benganaki izinto zeNkosi. Kulula kanjani nathi ukuba siwele kokufanayo. Bashesha ukuzibhekela izinto zabo, ngesikhathi esifanayo benamile ukushiya okweNkosi bewela ekunganakini nasebuvileni. Umprofethi uHagayi wayethunyelwe yiNkosi ukuzoletha ukukhuza kukaNkulunkulu kulemiqondo enokuzinakela okwayo, nokukhomba kubo isizathu sokuthi kungani impumelelo empilweni ibibaphunyuka.

Iningi inselelo edingekayo lapha, ngoba kuhlezi kunenjwayelo efanayo ebantwini bakaNkulunkulu ukubona kuphela lokhu okuyisidingo kubo, emizamweni, ngakwezezimali, nokudlulisa, njlnjl

kukhipheke inyumbazana okukaNkulunkulu. Futhi amazwi kaNkulunkulu wethu nezindlela zokubhekana nalokhu kuzicabangela okutshekile ebantwini bakhe kuhlezi kufana. UHagayi isahluko 1:4 uyinselelo ewukhiye emyalezweni wabaprofethi; “*Kuyisikhathi sokuba nihlale ezindlini zenu ezembesiweyo, lendlu iseyize, na?*” kwakulungile na ukuba babone izindlu zabo zifanelekile, bangayinaki indlu kaNkulunkulu? Ehlazweni labo, bavuma ngokushesha bevumelana nezitha zabo ngokuthi “*akukabi yisikhathi*” sokunaka izinto zikaNkulunkulu (ivesi 2).

Kuyefana nabaprofethi, uHagayi ukuba avele kuleyondawo. Asazi noma wayefike nalabo ababebuya eBhabhiloni noma wayezalelw ePalesitine. Ungomunye walabo baprofethi imininingwane yemuva labo enganikezwanga ngenxa yesizathu esithize mhlawumbe. Lokhu kugcizelela kuyiphuzu elithakazelisayo. Akunandaba ukuthi umuntu unggubani. Ukunaka noma ukukhathazeka okubalulekile ngokuka Nkulunkulu, ongakho-ke kubuya kithi, yilokhu umuntu akwenzile. Ubuqhawe bukaHagayi bamemezelu amazwi kaNkulunkulu wakhe esizukulwaneni sakhe esasihlehlile wazinqobela. Inkosi yabona ukuthi umkhulumeli wayo wayesendaweni elungile ngesikhathi esilungile, ngenhliziyo nangomlomo ogcwele amazwi

kaNkulunkulu. Isisho “isho iNkosi” noma “izwi leNkosi” sivela izikhathi ezingama-25 emavesini angama-38 alencwadi encane. Kungaba khona yini ukungabaza ngokuthi ngokabani umyalezo uHagayi awuqukethe?

Umsebenzi kaHagayi weNkosi wawumfishane, waba yizinyanga nje ezi-4, kodwa walithokozela ilungelo elihle abaprofethi abambalwa abalithokozela. Wabona masinyane, impumelelo ebonakalayo njengemiphumela eqondile yokushumayela kwakhe. uJona wayengomunye owayazi ilungelo elifanayo, noma kungenjengoJona kwakuyintokozo kaHagayi ukukubona. Mhlawumbe sithola isifundo lapha ngomsebenzi weNkosi wesikhathi samanje. Kubonakala sengathi amadoda eNkosi awavamile ukubona isithelo esichichimayo njengomthetho jikelele, impela ngezinsuku zokuhlubuka. Ngakho-ke ayikho indawo evumelekile yokudangala emsebenzini kaNkulunkulu ngesisekelo semiphumela engemihle, ngoba likhulu ibandla lalawo madoda abone isithelo esincane ngomsebenzi wawo.

UHagayi washumayela ndawonye noZakariya eJerusalema, umsebenzi wakhe waqala ezinyangeni ezimbili ngaphambili kukaZakariya. Buka kuHagayi 1:1 noZakariya 1:1. Usuku lombhalo kaHagayi

linikeziwe evesini 1:1 njengonyaka wesibili kaDariyu, noma iminyaka engama-520 ngaphambi kukaKristu. U-Jensen uphakamisa lezi zinsuku ezilandelayo nokulandelana kwezigameko;

Incwadi kaHagayi yenziwe yimilayezo emi-5 eshunyayelwe kumaJuda, emibili esahlukwei 1 bese kuba ngemithathu esahlukweni sesi-2;

Umlayezo #1 (1:1-11). Indikimba – Ukukhuza.

- Bekani ezinhliziyweni zenu izindlela zenu (ivesi 5 & 7).

Abantu babesho ukuthi “*isikhathi asikakafiki*” (1:2) sokwenza izinto zikaNkulunkulu. Kwakungekhona nje ukuthi babegcwеле ukunaka izinto zabo? Impendulo yeNkosi eqinile kulokhu kwaba “*Khuphukelani entaben, nilethe imithi, nakhe indlu*” (1:18). “*Bhekani kahle ngiqalekisile yonke imizamo nokukhulayo kwenu, ngoba nithatha kancane izinto zam*”. Izwi lokukhuthaza ngokuphendula kahle kwabo emyalezweni wokuqala wokukhuzwa. Abantu *balalela* (1:12), *bayisaba iNkosi* (1:12), base *beyasebenza* (1:14). Ngakho-ke

“Nginani”, kusho iNkosi! (Buka nesahluko 2:4). UNkulunkulu wabo kwakumelenwe naye futhi enqatshwa kwaze kwaba ngumzuzu wokuphenduka kwabo, ngesikhathi eseshesha wathumela isikhuthazo.

Umyalezo #3 (2:1-9). Indikimba – Umyalo.

Kwakungafanele bakhathazeke ngokucaca kwendlu ekuqhathanisweni kwenkazimulo yayo edlule. Qhathanisa nokuyala kukaZakariya, “*Ngokuba ngubani oyakudelela usuku lwezinto ezincane?*” (Zakariya 4:10). Akuyona inkazimulo yangaphandle kodwa eyangaphakathi ebalulekile, ngoba *uKristu uqobo* lwakhe uzohamba kulelithempeli. UKristu ngaphakathi kwalo yinkazimulo enkulu kakhulu kunesiliva negolide likaSolomoni lihlanganisiwe (2:7-9), inkulu ukudlula bonke ubuhle bomhlaba buhlangene.

Umyalezo #4 (2:10-19). Indikimba – Isiqiniseko.

INkosi ngeke ibakhohlwe labo baholi abenza intando yayo, benza izinqumo ezinzima ukuhola ekumeni nayo. Uyacabanga ukuthi wamnyakazisa kanjani uZerubabele lomyalezo?

Iphuzu lencwadi ngukuthi intando yeNkosi nomsebenzi wayo kufanele kuze phambili ebantwini bayo... *kungenjalo!* Imiphumela yokwahluleka kulokhu ngeke kube nasibusiso kodwa nesiqalekiso! Buka nencwadi yeZaga 11:24-25.

“Wayersekhluma uHagayi,
isithunywa sikaJehova,
ngesimemezelo sikaJehova kubantu, wathi:
“Ngínaní,” usho uJehova”

(Hag. 1:13)

Isahluko 1

“*Insali yabantu*” bakwa-Israyeli base bebuyile ekuthunjweni eBhabiloni kuJuda ngenhloso yokwakha ithempeli, lelophuzu okugxilwe kulo kwithestamente elidala lendumiso kaNkulunkulu weqiniso emhlabeni. Kodwa ukwakhiwa kwabambezeleka ngenxa yabaphikisayo, nesisekelo sethempeli sasesimile singanakiwe cishe iminyaka eyi-15 ngesikhathi umprofethi uHagayi evela. Umyalezo kaHagayi wawumfishane futhi ushaya emhlolweni, incwadi yakhe ingenye yezincwadi ezimfushane eBhayibhelini. Kodwa njengawo wonke amazwi kaNkulunkulu umyalezo ngumuthi onamandla. Futhi noma kwakungumyalezo owakhulunywa ebantwini bakhe endaweni ethize, njengakho konke uNkulunkulu akuniikezile kumuntu isimiso sakhe sisafanelekile futhi sinomsebenzi kubantu bakhe namanje. Kunezifundo ezinamandla ezinhle kithi ezitholakala kulamavesi ambalwa.

Ukucizelela komyalezo kaHagayi “*ensalini yabantu*” KWAKUNGUKUQEDELA ITHEMPELI. Indikimba yomyalezo kaNkulunkulu ngaye kwakungukuthi IZINTO EZIZA PHAMBILI KUQALA. Hlakanipha unikeze iNkosi nomsebenzi wayo ukubaluleka ngaphezu kweminye imisebenzi. Ukulalela kulokhu

*1:1 Ngomnyaka wesibili kaDariyu inkosi ngenyanga
yesithupha ngosuku lokuqala lwenyanga lafika izwi
likaJehova ngesandla sikaHagayi umprofethi
kuZerubabele indodana kaSheyalitiyeli, umbusi
wakwaJuda, nakuJoshua indodana kaJehosadaki,
umpristi omkhulu, ngokuthi:*

kugwema ukudangala kuqinisekise impumelelo kwimizamo yethu yasemhlabeni.

1:1-2 – Isingeniso.

Ivesi. 1 – “*KuZerubabele... nakuJoshua*” – Isithunywa sikaNkulunkulu asizi ngobuqili, esikisela umyalezo wakhe kubantu ngemuva kwabaholi bakhe, efuna ukuvusa abantu abangabakhe abaphambene nobuholi bukaNkulunkulu. Kunalokho uya kubo impela ababekiwe, ekhuluma umyalezo kaNkulunkulu ngokukhululeka. UZerubabele wayengongamele noma umholi. UJoshua wayengumpristi omkhulu noma umholi wakomoya. Kwakuyilaba uHagayi aletha kubo “*izwi leNKOSI*”.

Nasi isisho sokuqala esivelele kulencwadi. Kuphinde, amazwi emiphumela “*usho kanje uJehova Sebawotti*” noma “*yizwi leNKOSI*” kutholakala izikhathi zibe ngama-25 kulezi zahluko ezimbili

1:2 Usho kanje uJehova Sebawoti, uthi: “Laba bantu bathi: ‘Akukabi yisikhathi sokuza, isikhathi sokwakha indlu kaJehova.”

ezimfishane, kusukela kulelivesi lokuqala kuze kube sekugcineni.

Ivesi. 2 – “*UJEHOVA Sebawoti*” – Igama elivelele leNkosi kulencwadi eliveza amandla amakhulukazi kaNkulunkulu. Kungani kusetshenziswe lelogama? Kufanele sikhumbule lapho okukhulunywa khona lokhu. Abantu bakaNkulunkulu babengasayakhi indlu yakhe ngokuba “*babenovalo*” ngenxa yalabo ababemelene nomsebenzi (U-Ezra 3:3). Ngenxa yokusaba abantu labo abaphikisayo base “*bedangalisa izandla zabantu bakwaJuda*” (U-Ezra 4:4). Kwakubalukile ukuba abantu bakaNkulunkulu ababengamagwala bazi ukuthi “*uJEHOVA Sebawotti*”, ophezukonke uqobo lwakhe, wayebabizela emsebenzini. Ukubizwa kwabo kwakuvele kulowo omkhulu ngokwanele ukubhekana nabo bonke abamelene naye emhlaben. Ukwesaba uNkulunkulu okufanele kuphela okungakhulula abantu bakaNkulunkulu ekwesabeni abantu.

“*Laba bantu*” – Uyakuzwa ukuzwakala kokucasuka? Uyalizwa ibanga elicacile lalesisisho? Kunokuthi

“abantu bami” kuthiwa “*laba bantu*”. Kunokungahlangani nje nalabo bantu okukhona, ukukhulumela ekudeni. Buka nencwadi ka-Eksodusi 32:9. UNkulunkulu akeneme ngalabo abesaba abantu ukudlula yena.

UJehova ngo-Hagayi wayeseveza evesini 2 lokhu abantu ababekusho njengezaba zokungaliqed iithempeli; “*Akukabi yisikhathi sokuza, isikhathi sokwakha indlu kaJEHOVA*”. “*Akukabi yisikhathi*” babesho njalo. “Kuzocaca uma sekuyisikhathi”. Manje sekudlule amashumi nohhavu weminyaka basolokhu “belindele” isikhathi esifanele! Babelinde uphawu olukhethekile noma isibikezelo noma isibonakaliso? Nasi ke siza, ngohlobo lokusola okushisayo, okuvele ngqo kuJehova Sebawoti. Kwakungafanele nje balinde isibonakaliso esingaqondakali uma isikhathi sesibonakala silungile kubo! Kwakungafanele nhlobo babambezele uma sebenawo umyalo ovela kuNkulunkulu wokuthi bakhe! Abanye benza nje nangendaba yensindiso, balinde isibonakaliso esingacacile uma “isikhathi sesilungile”. Kodwa impendulo kaNkulunkulu isinikeziwe kulokhu futhi;

“*Ngesikhathi esihle ngikuzwile, nangosuku lwensindiso ngakuhaulangula*” (2 KwabaseKorinte 6:2).

“*Kusathiwa yinamuhla, ukuze kungabikho kini*

*1:3 Kwase kufika izwi likaJehova ngoHagayi umprofethi,
lathi:*

owenziwa lukhuni ngokukhohlisa kwesono”
(KumaHebheru 3:13).

Ukulinda noma ukubambezela noma ngumzuzzwana nje lokho kungabonakala njengokuvukela. Abanye benza okufanayo nangodaba lokukhonza. Kodwa kuphinde, impendulo ecacile kaNkulunkulu isinikeziwe;

“*Nasi isikhathi ukuthi sekuyihora lokuba nivuke ebuthongweni*” (KwabaseRoma 13:11).

“*Hambani niye ezweni lonke, nishumayele ivangeli kukho konke okudaliweyo*” (NgokukaMakhu 16:15).

“*Nithengisise isikhathi, ngokuba izinsuku zimbi*” (Kwabase-Efesu 5:16).

Asilindeli izibonakaliso uma sesinawo vele umyalo ovela kuJesova Sebawoti. Sindiswa! Bhabhathiswa! Ngcweliswa! Khonza! *Kwenze njengamanje!!* Ukulindela “isikhathi esifanele” ekubeni uNkulunkulu esewunikezile umyalo kungukungenzi lutho lokho, ngukungalaleli!

1:4 “Kuyisikhathi sokuba nihlale ezindlini zenu
ezembesiweyo, le ndlu iseyize, na?”

1:5 Ngalokho usho kanje uJehova Sebawoti, uthi: “Bekani
ezinhliziyweni zenu izindlela zenu.

1:3-11 – Ukukhuza.

UHagayi waletha izwi likaNkulunkulu lokukhuza okuqinile ebantwini abanganaki. Lapho mhlawumbe besebenzise amazwi ukuzithethelela ngezenzo zabo (noma ukungenzi), amagama anjengo “kubekezelə” no “kulinda kuNkulunkulu” no “kungamhambeli phambili uNkulunkulu”, uNkulunkulu washo amamzwi afanele anjengo “kunganaki”, “ukukhathala” kanye “nokuzicabangela bona”.

Ivesi. 4 – “*Kuyisikhathi senu...?*” – Ngezwi ukuzenzisa kwabo kwavezwa obala. “Akulona yini iqiniso ukuthi isikhathi sezinto zikaNkulunkulu asikafiki ngoba isikhathi sezinto zenu yisona enisikhathalele?” bashiye indlu kaNkulunkulu ekumoshekeni, ngesikhathibekhathalela izindlu zabo. Igama “*okupholishiwe*” likhuluma ngophahla lwamapulangwe, okuthile okukhazimulayo okuyinkomba yezinga lomcebo. Ngesikhathi endaweni yethempeli kuhliphizekile, nengxenye ekhutshwe wukhula!

- 1:6 *Nihlwanyela okuningi, ningenisa okuyingcosana; niyadla, kepha anisuthi; niyaphuza, kepha ananeliswa; niyembatha, kepha akakho ofudumalayo; ozuza imali uyizuzela isikhwama esibhobokileyo.*"
- 1:7 *Usho kanje uJehova Sebawoti, uthi: "Bekani ezinhliziyweni zenu izindlela zenu.*
-

Ivesi. 5-7 – “*Bhekani izindlela zenu*” – Nasi esinye isisho esibalulekile encwadini, igama “*Bhekani*” litholakala izikhathi ezi-5. UJehova ubabizela ekubhekisiseni kahle, noma njengoba umugqa uveza, “*Bhekani ezinhliziyweni zenu izindlela zenu*”. Lona ngumyalo okhulunywe ngomfutho. UJehova ugcizelela ukuthi bathatha lokhu abakuhlwanyele nalokhu ababetshenwe kona. Lomyalo uphindwi kuvesi 7, waphinde wafakwa phakathi kuvesi 6 wuhlobo lwento kaNkulunkulu angafuna bayiqaphele;

- Akukho ukuphumelela - umsebenzi awuqhubeki njengoba befisa.
- Akukho ukujabula - intokozo noma injabulo nje yempilo ayanele ukwanelisa (ukudla, ukuphuza, nokufudumala).
- Ayikho inzuko - okuyinzuko kuyashabalala - okwakuvame ukwenzeka ukuzithola sebeshoda kunokuba babenokwanele.

1:8 Khuphukelani entabeni, nilethe imithi, nakhe indlu; ngiyakuyenamela, ngikhazimuliswe,” usho uJehova.

- Umnyundu, izingubo, nokufana
nemifelandawonye kwathinteka.

Kubonakala sengathi ngesikhathi sinakekela izimfuno zethu kakhulu kuncane kakhulu esikuzuzayo noma esikutholayo. Buka incwadi yeZaga 11:24-25.

Ivesi. 8 – *Isikhathi yima!!* – Akukhathalelekile izaba ezizalwe ngukwesaba, uJehova ufunu ukuba basukume babe matasa *manje*, ngoba besaba yena.

“Khuphukelani entabeni, nilethe imithi” – Yibani matasa niqoqe izimfanelo ezidingekayo. Ngalezo zinsuku izintaba zakwa-Israyeli zazingamahlathi, zigcwele izihlahla. Konke izingodo namatshe okwakuzodingeka esakhiweni, kodwa amatshe atholakala ngokushesha ngobuningi, ehlakazekile emzini wonke ngokubhujiswa okudala kukaNebhukadinezari.

Bheka ukuthi uNkulunkulu wabaphendula kanjani ekwenzeni. Umuntu uphuma kanjani emgodini wencithakalo yakwamoya? Ukuqala kokukhululwa

nemibuzo ngenhloso yokuveza ukububula okungumshoshaphansi okwase kuqalile futhi ngokubuyela kwabo emsebenzini. Uma ngabe abantu bakaNkulunkulu beqala futhi ukwenza umsebenzi kuvuka abaphikisana nawo ngandlela thizeni, kulokho ngohlobo lokudumaza noma lokuthena amandla. Kwakukhona phakathi kwabo “*amadoda asendulo*” abanye abakhumbula ukubaluleka kwempahla eyakha ithempeli likaSolomoni, elabhujiswa ngamaBhabhiloni eminyakeni angamashumi adlule. Laba kwakuyibona abalila phakathi kwenjabulo eminyakeni edlule ngesikhathi izisekelo zendlu zibekwa (U-Ezra 3:120. Balila ngoba lendlu encane yayincane ekuqhahathanisweni nalena eyabalahlekela! Ithempeli elikhulukazi likaSolomoni lalakhiwe ngetshe elimhlophe lonke, umsedari, negolide ngaphandle, nangaphakathi lilekwe ngegolide, lihlotshiswe ngomsebenzi wohlobo oluphambili, lilenga izithombe ezinhle kakhulu. Inani lezigidi ngezigidi legolide lalisetshenzisiwe esakhiweni salelothempeli elingeqhathaniswe, *manje konke kwase kushabalele!* 1 Izikronike 22:14 lencwadi isinikeza inani legolide (180 yamakhuyubhu wamamitha) nesiliva (elingaphezu kwama-300 kheyubhu mitha) elasetshenziswa esakhiweni sethempeli likaSolomoni. Umcabango walokho abalahlekewe yikho nokubona lendlu

ezithulele nje abase beyakha “*ekuqhathanisweni nayo yayingelutho*” kwakungathi bayacindezeleka kubaqedamandla, mhlawumbe yayisongela ngisho ukuphendula izinhliziyo zabantu bangasaqhubeki nomsebenzi futhi. Ngoba abadala kwakungavumi nje bayeke ukubambelela kwelidala! Lokhu kukhononda kwakudinga ukukhishelwa ngaphandle kukhulunywe ngakho ukuze kugcinwe bonke bekhuthazekile kulomsebenzi obaluleke kangaka. Inhliziyo *kaNkulunkulu* kulolodaba kwakufanele yazeke, kungabi nomqondo wokunganeliseki wezingubo ezimanzi phakathi kwabo. Umsebenzi omningi wabaholi bakaNkulunkulu yilokho nje, ukugcina izinhliziyo zabantu bakaNkulunkulu zikhuthazekile ukuqhubeka baphile impilo efana neyakhe nokwenza umsebenzi wakhe bebambelele enjongweni yakhe, lokhu okumthokozisayo (bagweme noma babhekane nezingubo ezimanzi futhi). Ngumsebenzi obalulekile oqhube kayo.

Kwakunokuba nesinye isici esinomthelela kulomoya wokukhononda kwabanye. UNkulunkulu wayethumele isomiso kubo phambilini ngokuzicabangela kwabo bodwa (1:9-10). Ngakho-ke umkhosi wabo wamaThebanakele noma ukuhlanganyela, nganxanye kungumgubho wesivuno, kunokwenzeka nje ukuthi izitshalo zazingezinhle neze, nensimu yezithelo, nensimu

2:4 Kepha qina manje, Zerubabele,’ usho uJehova, ‘ube namandla, Joshuwa, ndodana kaJehosadaki, mpristi omkhulu, niqine nonke nina bantu bezwe,’ usho uJehova, ‘nisebenze ngokuba nginani,’ usho uJehova Sebawoti.

yomvini. Ngakho babebhekana nendlala ngaleso sikhathi. Lokhu kukhathazeka omubi angabona ithuba lokuthi azikhulise emehlwani abangakhulile. Vele lokhu kuxakeka kwabo kungenxa yesono sabo njengesizwe. Kodwa iNkosi yayisinabo manje (1:3). Babenaye, ukuxolelwa kwakhe, futhi lokhu kumele kwanele. Impela lokhu kuyikho konke! Ngakhoabantu babedinga ukuyalwa kulokhu. Babedinga usizo ekubekeni ithemba labo kunkulunkulu wabo opheleleyo. Akufanele babeke ithemba labo noma bagxilise injabulo yabo kulokhu abanakho, kodwa kuNkulunkulu wabo wethemba (UHabakuki 3:17-19).

2:4-5 – Bheka phezulu.

“*Qinani... nisebenze... ngokuba nginani, usho uJEHOVA sebawoti*” – Akubaluleki ukuba bashintshe izinhlelo, ukuba bakhe okukhulu, indlukazi. Kunalokho ubaphendulela ekubakhuthazeni nasekuthembeni ebukhoneni bakhe enabo. Indlu ayinalutho. UNkulunkulu mayesendlini wenza indlu

*2:5 'Isithembiso enganinika sona ekuphumeni kwenu
eGibithe noMoya wami kuyakuhlala phakathi kwenu;
ningesabi.'*

ikhazimule, hhayi igolide. Ningakhathazeki ngokungacwebezeli kwendlu, uma nje iNkosi inani. Ungakhathazeki ngokungacwebezeli kwendlu yakho, kwempilo yakho, kwezinto zakho. Ungakhathazeki ngalokho ongakaze waba nakho, noma lokhu okungenze ka ungabi nakho nhlobo. Kuyeke! Kunalokho qinisekisa ukuba noNkulunkulu, ukubambelela kuye eduze, ukumthokozisa. Lokhu okungaphandle akukhona nje okokukhathazeka. UNkulunkulu ubheka inhliziyo (1 USamuweli 16:7). Ngisho uJesu Kristu inkosi wayengenabo ubucwebecwebe, lapho echazwe ngu-Isaya njenge “yayingenasimo nabuhle ukuba siyibuke, yayingabukeki ukuba siyifune.” (U-Isaya 53:2). Wayengenabuhle obumangalisayo ukuba sasingafuna ukumbheka. Wayengakhethekile, engenakubukeka okudonsayo ukuba singakhangwa nguye. Futhi ungalihluleli inani lomsebenzi noma losebenzayo ngezimpawu zangaphandle. Yahluelani ngokulunga, ngobufakazi bokwethembeka. Khathazeka kancane ngesimo noma ngesakhiwo, ukukhathazeka nge “Ichabod”, ukuthi inkazimulo kaNkulunkulu ayikho lapho (UHezekiya 9:3; 10:4,

*2:6 “Ngokuba usho kanje uJehova Sebawoti, uthi:
‘Kusezakuba yisikhashana nje ngizamazamisa
amazulu nomhlaba, nolwandle, nomhlabathi
owomileyo,*

18-19; 11:23). Lingaba liningi ibandla noma umzalwane kulomhlaba angaba mkhulu noma ahlotshisiwe kodwa Ichabod! Ngubukhona beNkosi okuba yinkomba yeqiniso ngokwahlukanisa abantu bayo beqiniso (U-Exodus 32:16). Futhi impumelelo esilinganisweni sikaNkulunkulu yisona sodwa isilinganiso.

2:6-9 – Bheka phambili.

INkosi ngoHagayi manje ijkisa ukubheka kwabantu bayo kwikusasa, ezinsukwini eziholela futhi ezibandakanya ukubuya kukaKristu. Njengokufana nasekuqaleni, lezi yizinsuku ezivezwe yizinsuku zomkhosi bezisanda kwedlula.

Ivesi. 6-7 – “Ngizamazamise...” (nakuvezi 21) – Izinsuku impela sezifikile, ngezinsuku zokugcina, isikhathi sosizi olukhulu phambi kokubuya kukaKristu, ngesikhathi uNkulunkulu ezozamazamisa amazulu, umhlaba, nezizwe (uJoweli 3:16; NgokukaMathewu 24:29). Umbhalu

wamaHebheru ufaka amazwi kaHagayi lapha ngosuku lweNkosi, lapho bonke bezakuzanyazanyiswa ukuze kuzoshanelwa kuchithwe konke okuyozamazamiseka, kushiwe kuphela lokho okungenakuzamazamiseka (KumaHebheru 12:26). Njengoba izwi likaNkulunkulu lazamazamisa umhlaba eSinayi, “kepha manje uthembisile wathi: “Kusezakuba kanye ngizamazamise kungabi ngumhlaba wodwa, kepha nezulu futhi” ekuletheni umbuso wakhe. Bese thina esingabaka Kristu, sazi ukuthi “lokhu samukeliswa umbuso ongenakunyakaziswa, masibonge ngesingamkhonza ngakho uNkulunkulu ngokumthokozisa, nangokumhlonipha, nangokuthuthumela” (KumaHebheru 12:28). Qhathanisa nencazelo kaPetru yokubuya “yosuku lweNkosi” encwadi 2 ekaPetru 3, uma “amazulu eyakudlula ngokuhlokom; kuyakusha konke, kubhidlike” (ivesi 10). Futhi ngokufanayo lapho nakumaHebheru 12; “Ukulaya konke okwamanje kungathi akusikho okwentokozo, kepha kungokosizi, kodwa ngasemuva kuyabathelela isithelo esihle sokulunga labo abahlakahliswe yikho” (ivesi 11). Buka iziprofetho zokuzamazama komhlaba okukhulu ezinsukwini zokugcina (isambulo 6:12-17; 11:13; 16:18-20). Qhathanisa iziprofetho zokuchithwa kwemibuso yabantu (2:22; UDaniyeli 2:34-35, 44-45). Buka neziprofetho zoshintsho

*2:7 ngizamazamise nabo bonke abezizwe, kufike
okunxanelekayo kwabo bonke abezizwe,
ngiyigcwalise le ndlu ngenkazimulo,’ usho uJehova
Sebawoti.*

olusheshayo emazulwini, uma isibhakabhaka sizakusuka kungathi sigoqwa njengomqulu (U-Isaya 32:1-4; Amahubo 102:26; KumaHebheru 1:10-12; isambulo 6:13-14).

“*Isikhashana*” – Okukhuluma ngokungefaniswe okuzoqhuma ngesikhathi seminyaka eyinkulungwane uma ekugcineni kuzobonakala ngeso elibanzi lengunaphakade. Buka Uhabakuki 2:3; KumaHebheru 10:37.

“*Kufike okunxanelekayo kwabo bonke abezizwe*” – Lokhu ngokungangabazeki kusho kuJesu Kristu. Phakathi “*bezizwe zonke*” yilabo abezwa isidingo sabo bakhale njengomsebenzi “*wejaji*”, uMlamuleli ophelele ozoza “*phakathi kwethu ongabeka isandla sakhe phezu kwethu sobabili*” (UJobe 9:33). UJobe wayebheka umuntu onguNkulunkulu lowo okwazi ukufinyelela kuNkulunkulu nakumuntu. Ubukhona balowo ekugcineni ozayo masinyane ethempelini yilokho “*okuzogcwalisa indlu ngenkazimulo*”. Noma indlu ababematasatasa beyakha “*yayingelutho*”

2:8 ‘*Ngelami isiliva, ngelami igolide,*’ usho uJehova Sebawoti.

ekuqhathanisweni nokubukeka kwangaphandle kwekaSolomoni, lendlu izoba nodumo olukhulu lukaJesu uMesiya uqobo lwakhe engena kuyo ekuzeni kwakhe kokuqala. Impela yonke inkazimulo yomcebo kaSolomoni “*yayingalutho*” ekuqhathanisweni nenkazimulo yobukhona bukaKristu phakathi kwayo. Yonke indalo ayifanelekile ukuqhathaniswa noMdali. Ngakho kunjalo nakithi. Zonke izimanga zalomhlaba zihlanganisiwe zingelethe “*lutho*” ekuqhathanisweni noJesu Kristu phakathi emphefumulweni yethu. Uyiparele lenani eliphezulu kakhulu. Inani lakhe lubanjwe kahle lifanelwe ukudayisa konke ukuze sibe nalo. Uma esehlala kithi nathi kuye *sinakho konke kuvame!*

Ivesi. 8 – “*Ngelami isiliva, ngelami igolide*” – Ngesikhathi abanye besabubula ngenxa yokungabi nazo izinsiza zikaSolomoni ukuze babuyise lendlu ngendlela ubukhazikhazi bayo obudala, kufanele baqonde ukuthi zonke lezi izinsiza zilungile futhi ziyafulmaneka kuNkulunkulu. “*Umhlaba ungowami, nawo wonke amagugu awo,*” uNkulunkulu uyabaqinisekisa. Uma ayefuna ukuba babe nabo

2:9 ‘Inkazimulo yokugcina yale ndlu iyakuba nkulu kuneyokuqala,’ usho uJehova Sebawoti, ‘nginike ukuthula kule ndawo,’ usho uJehova Sebawoti.”

lobubucwebe bezwe ukuze bahllobise indlu yakhe futhi ukuze icishe ifane nendala wayengabanika kalula nje. Kufanele baqonde futhi bamkele ukuthi abazange babe nalezi zinto ngenxa yesizathu nje, ngoba lokho kwakungeyona intando yakhe ngalendlu. Ngoba lena wayenamacebo amakhulu kakhulu amangalisayo ngayo. Kuphinde, isici esibalulekile ngalena kwakungubuhle bangaphakathi ngobukhona bukaKristu kunokuba ibenyezele ngaphandle. Izinsiza zabo ezilinganiselwe zazingengamele. INkosi yayazi eyayikwenza. Lolushintsho kungenzeka lwalwenzelwe futhi ukuveza “ukukhazimula okukhulu” nesimo semvelo yangaphakathi sesivumelwano esisha ekuqhathanisweni “nokukhazimula” kwesimo sangaphandle kwesivumelwano esidala (2 KwabaseKorinte 4:7-13).

Ngesimiso esifanayo kufanele siqaphele ubungozi bokuwela ekulangazeleni izinto esingenazo. Konke kungokukaNkulunkulu wethu. Konke kungokwakhe. Uma efuna ukuba sibenakho, sizoba nakho! Umuntu yisiwula sokuwela ebuwuleni

bokufuna lokhu uNkulunkulu angamnikanga kona, ngoba kungenye yezigameko lapho umuntu efuna intando yakhe ngaphezu kwekaNkulunkulu!

Ivesi. 9 – “*Inkazimulo...iyakuba nkulu kuneyokuqala*” – Hayi nje isici esiyikhethelo noma esahlukile, kodwa isici esikhazimula ngaphezulu. Ngesikhathi uJesu elethwa njengomntwana ethempelini ukuzonikelwa, uSimiyoni ongcwele wamthatha wamgona wambiza “*ngenkazimulo yesizwe sakho Israyel*” (NgokukaLuka 2:32). UJesu wayezibiza njengalowo “*omkhulu kunethempeli*” (NgokukaMathewu 12:6), “*okukhulu kunoSolomoni*” (NgokukaMathewu 12:42). Ukuqhubeka kokugcwaliswa kwalenkazimulo enkulu kuyakuba sethempelini leminyaka eyinkulungwane lapho uKristu ayongena futhi, elichaziwe encwadini ka-Hezekiya 40-48. Futhi isiphetho kuyakuba nguJesu Kristu njengokukhanya nethempeli leJerusalema elisha ingunaphakade yonke (Isambulo 21:22-23).

Kufaneleke kangakanani ukuba uJesu asebenzise umkhosi wamaThabanakele futhi, futhi usuku lokugcina lwawo, ukuziveza yena njengempendulo emphefumulweni owomileyo, ukunikeza isithembiso sikaMoya kubo bonke abakhholwayo (NgokukaJohane 7:37-38). Lolu kwakungubizo lwensindiso emva kwesithombe sobizo luka-Isaya

ku-Isaya 55:1-3.

“*Nginike ukuthula kule ndawo*” – Yiphi indawo? iJerusalema, “umuzi wokuthula”. Lokhu kuthula okuza ngokuza kweNkosi yokuthula (U-Isaya 11). EJerusalema uNkulunkulu uyakunika ukuthula kulokhu;

- Lapho uJesu uyakuza masinyane ethempelini lakhe eziveza esizweni njengoMesiya – *iNkosi yokuthula*.
- Lapho uJesu uyakuba ngumhlatshelo ekufeni nasekuvukeni futhi ekuphileni njengayona yodwa impendulo yesono somuntu – *eletha ukuthula kwangaphakathi*.
- Lapho uJesu uzobuya ukuzohlenga abantu bakhe abahluphekile ezinsukwini zomphiki Kristu, ekugcineni echoboza imibuso yabantu – *eletha ukuthula kwangaphakathi*.
- Lapho iNkosi uJesu Kristu izobeka umbuso wayo wasemhlabeni wokulunga nokuthula iminyaka ezi-1000.
- Futhi lapho kuzoba nenhloko yamazulu amasha nomhlaba engunaphakadeni – *ukuthula kwangunaphade!!*

“*Amen. Woza, Nkosi Jesu!*” Umsebenzi omkhulu

nokubaluleka kwesiprofetho *yithemba* okungalo izinhliziyo zethu zigcwaliswe ngokukholwa.

Sesiza manje osukwini lokugcina lokuqoshwa komsebenzi kaHagayi wokuletha izwi elivela kuNkulunkulu kubantu bakhe. Umyalezo wakhe wesine nowesihlanu wawulethwe ngosuku olulodwa, kungama-24 enyangeni yesi-9 (Chislev);

- Ezinyangeni ezimbili ema kuomyalezo wakhe wesithathu.
- Enyangeni ngemva komprofethi uZakariya aqale umsebenzi wakhe weNkosi (UZakariya 1:1).
- Cishe ezinyangeni ezine ngemva komyalezo kaHagayi wokusola.

Imvelo yomyalezo wesine kaHagayi yayiyisiqinisekiso, manje ifuna ukuqinisekisa ekuqondeni kwabantu ukubaluleka kwalokhu okwenzakalayo, ubabiza futhi ukuba baqaphele lokhu, manje bawubheke ngamehlo okuhle. Kufanele babone kahle ukuthi ukulunga kwabo kuzobalethela kanjani isibusiso sikaNkulunkulu, nangokufanayo ukuthi ukungalaleli kwabo kubantshontshele lokhu phambilini.

“*Bheka manje ngikubusisa ngokulalela kwakho*”, lesi yisiqiniseko esijabulisayo esivela kuNkulunkulu

*2:10 Ngolwamashumi amabili nane lwenyanga
yesishiyagalolunye ngomnyaka wesibili kaDariyu
izwi likaJehova lafika kuHagayi umprofethi, lathi:

abapristi ngomthetho, uthi:*

wabo.

2:10-19 – Ubizo ekuqhubeke ni ekulaleleni kubantu.

Ivesi. 10 – Njengoba sesibonile ngokuphindelela, isiqiniseko siyaphinda siyanikezwa lapha ukuthi izwi uHagayi alilethile kwakungelona elakhe kodwa “*izwi likaJehova*”.

Ivesi. 11 – UJehova ngomprofethi wakhe weza futhi ngemibuzo eholayo, manje emayelana nomthetho kaNkulunkulu nokuba ibuzwe abapristi ngokuba kwakuyibo abaphethe kuloludaba.

Ivesi. 12 – Umbuzo – Ngabe uhlelo lokuhlanza lungenzeka ngokuthintwa? Impendulo-Cha. Lokhu abapristi babekuqonda kahle. Inyama eyayingcweli siwe noma eyayingcwele futhi iphathwe ngendwangu engcweli siwe noma isitsha uma sithinta okuthize ubungcwele babungadluliseleki kulokho okuthintwayo. Uhlelo lokuhlanza lwalungadluliseki noma lungathathelani

*2:12 Uma umuntu ephethe inyama engcwele

ngokuthintana. Lokhu kuhlanzeka kwakwenzeka noma kubuyiselwe ngokwenziwa kwenqubo ekhethekile ebekwe nguNkulunkulu. Ngokufafazwa kwamanzi kuphela okuhlangene nomlotha wethole elibomvu, futhi kuphela uma kulungiswe ngedlela okuyiyona. Bheka encwadini ka-Numeri 19 ukuthola indlela eqondile yethole elibomvu;

- Kufanele kube yithole elibomvu, elingenabala, elingakaze lifakwe ijoka. Kwakuyiwona wodwa umhlatshelo onombala okhethekile.
- Kufanele libulawelwe ngaphandle komuzi. Kwakuyiwona wodwa umhlatshelo ongabulawelwa kwi-thabanakele.
- Igazi lalifafazwa izikhathi zibe yi-7 ngaphambi kwethabanakele.
- Kufanele lishiswe ngezithako ezikhethekile.
- Umlatha kufanele uqoqwe bese uyagcinwa. Kwakuyiwona wodwa umhlatshelo odinga ukuba umlotha ugcinwe.

*2:13 Wyesethi uHagayi: “Uma ongcolile ngesidumbu ethinta noma yikuphi kulokhu, kuyakungcola na?”
Abapristi baphendula bathi: “Kuyakungcola.”*

- Umlotha kufanele uxutshwe namanzi.
- Lokhu kuxutshwa okukhethwe emazulwini kufanele ufakwe nokufafazwa kwabangahlanzekile.

Lesi simo sasiveza impilo ekhethekile kaNkulunkulu ngoJesu Kristu ngokuhlanzwa kobubi besono somuntu (KumaHebheru 9:13-14).

Ivesi.13 – Umbuzo – Kungenzeka uhlelo lokungahlanzeki ludluliseke ngokuthintana? Impendulo- Yebo. Ngokomthetho kaNkulunkulu weThestamente elidala, lowo othinta isidumbu wayeba ngongcolileyo ngokusithinta (ULevitukusi 22:1-6). UJehova wayekhomba ukuthi ukungcola kungadluliseka ngokuxhumana nje, kanti ukuhlanzeka akudluliseki ngaloluhlobo.

Awuthi nginabe kabanzi. Zicabange womile kakhulu, bese ngibeka phambi kwakho ingilazi enhle enamanzi ahlanzeke kahle. Kodwa ngaphambi kokuba ngikuvumele uwaphuze ngifake iconsi lendle

*2:14 Wayesethatha uHagayi, wathi: “Banjalo laba bantu,
sinjalo lesi sizwe ngaphambi kwami,’ usho uJehova;
‘injalo futhi yonke imisebenzi yezandla zabo; nalokhu
abakusondeza khona kungcolile.*

eluhlaza, iconsi elilodwa nje. Ungawaphuza? Awomanga ngaleyondlela, usho njalo? KULUNGILE, akesithi ngibeka phambi kwakho ingilazi lendle eluhlaza, kodwa ngifake iconsi lamanzi ahlanzekile. Ungaphuza? Ngeke! Uma ngingafaka ilitha lamanzi ahlanzekile? Lokho kungawenza umehluko? Nhlobo! Ngakho-ke ukuthinteka nje kokungcola kuyakungcolisa okuhlanzekile, kodwa ngakulolu olunye uhlangothi akunjalo, ukuthi ukuthinta (ngisho ithani) lokuhlanzeka liyakuhlanza okungcolile. Amanzi angcolisiwe azodinga inqubo ephelene yokuhlanzwa ukubuyiselwa esimeni sokuba aphuzeke. Ngesikhathi sisengabantwana omunye wodadewethu waphathwa esinye isifo esiphathana kube kanye nje mawuseyingane (inqubulunjana mangicabanga). Umama wenza ukuba udadewethu asange sonke! Ngobani? Ukuze simuthelele ngokuphila kwethu? Cha. Ukuze sonke sisithole sigule kanye kanye ngesikhathi esisodwa kudlule. Ngokufanayo ukuphila akudluliseleki ngokuthintana, kodwa ukugula kuyadluliseleka.

Ivesi. 14 – “*Banjalo laba bantu, sinjalo lesi sizwe ngaphambi kwami,’ usho uJehova; ‘injalo futhi yonke imisebenzi yezandla zabo*”. UHagayi manje ubhekisa kubo lesi simiso ekwenzeni kwalaba bantu. Ngesikhathi behamba ekungcoleni kokungalaleli kwabo isimo sabo esingahlanzekile phambi kukaNkulunkulu sathinta sangcolisa konke lokhu ababeyikho, konke ababekwenza, konke ababekuthembu. Kwakunjengento efile phakathi kwabo! Ngisho “*nalokhu abakusondeza khona kungcolile*”. Ngisho nenkonzo yabo nemihlatshelo, eyayilethelwe ububi ababebenzile bokungalaleli kwabo, yayincgolile emehlwani kaJehova. “*Ukulalela kuhle kunomhlatshelo, nokuqaphela kuhle kunamanoni ezinqama*” (1 USamuweli 15:22). Imiphongolo yemihlatshelo yenkolo nomsebenzi ngaphandle kokuhlanzeka kweqiniso akusoze kwenza lowo olethayo amukeleke kuNkulunkulu. Inkolo eningi ephonswe ebhodweni ayilihlambululi ibhodwe elingcoliswe ngububi besono. Omunye umthamo wenkolo engcwele awudlulisi ubuncgwele. Kodwa ukungena kwesono esisodwa kungcolisa konke, manje efuneni okulungile kokufakwa kwemvelo ekhethiwe yaphezulu ukubuyisela ukuhlanzeka. “*Ngokuba ogcina wonke umthetho kepha akhubeke kowodwa, unecala kuyo yonke*” (EkaJakobe 2:10). Noma umuntu angaba ngogcina umthetho kukho konke kodwa ashiye owodwa, lokho

kuphula lowo mthetho owodwa kumenza *isiphula* mthetho ngakho-ke “*unecala layo yonke*”, kungathi yisikhohlakali esiphule wonke umthetho. Ukuthinta nje kanye isono, ukusilalelwa yinkazimulo kaNkulunkulu ngisho kanye yiconsi lokungcola elingcolisa konke.

Okushiwo yilesi simiso kwabangasindisiwe kucacile. “Awu impela, angilungile” kusho lowo Owenqaba uKristu. “Kodwa ke ngenza izinto eziningi ezinhle futhi, ngiyabedlula impela abanye, futhi mhlawumbe kakhulu kunabanangi. Impela okuhle kwami kuyawenza umehluko! Kodwa maye, isilinganiso sokuhle ebhodweni asengezi lutho oluhle noma ukuhlanzeka empilweni engcoliswe yisono. Kuphela ukufakwa kokuyikho okubekwe nguNkulunkulu njenekhambi elingabuyisa ukuhlanzeka emehlweni akhe. Igazi likaJesu Kristu kuphela, elilungiselwe lafakwa (lafafazwa) kokhethwe nguNkulunkulu, ngendlela ekhethekile emphefulweni ongcoliswe yisono elingenza lowo mphefumulo ulunge noma ubemsulwa phambi kukaNkulunkulu.

Okushiwo yilesi simiso kubantwana bakaNkulunkulunku abasindisiwe naso ngokunjalo sicacile. Uma sithatha noma sibambelela ebubini obungavunywanga ezinhlizweni zethu uJehova

ngeke asizwe, ngokuba silahlekelwe yisibusiso sakhe ezimpilweni zethu uma senza njalo. Njengoba uJehova ezochaza eqhubeka esizukulwaneni esizicabangela sodwa sabantu bakhe ngoMalaki, “*Niqalekisiwe ngesiqalekiso, nokho niyangiphanga*” (ngokweshumi neminikelo). Lokhu kusola kube sekulandelwa yinselelo yokulungisa bese bebona isibusiso azosithela phezu kwabo. Uma umzalwane enqabela uNkulunkulu ubuNkulunkulu bakhe athokozele isono empilweni yakhe, uzothola uNkulunkulu uqobo lwakhe emile endleleni yakhe njengengelosi esabekayo ngaphambi kukaBalamu. Uma umuntu engcoliswa yisono esingavunywanga, wonke umsebenzi wezandla zakhe uyangcola. Kodwa uma ekugcineni esenze kahle ngendlela uNkulunkulu ayibekile, ngokuvuma, indlela ivulelekile esibusisweni sikaNkulunkulu. Abantwana bakaNkulunkulu abaningi baphila kulendlela engcolile impilo yabo yonke yobuKristu, benza sengathi uNkulunkulu ucifela iso izono zabo, becabanga ukuthi mhlawumbe njengoba benza izinto egameni lakhe kushukuthi kulungile. Impela lomsebenzi omuhle nongcwele kufanele udlulise isilinganiso sokuhle ebhodweni lokuphila kwabo bengamaKristu.
